Subject :—*Re* the correct classification to be furnished on bills presented at the Treasury on account of Advances of Pay on transfer.

It is observed during the course of audit of bills pertaining to the above that in many cases the head of classification noted is the Departmental Service Head. This is not correct since the amounts are recoverable and have to be watched under an advance head.

The correct head of classification is noted below :—

'23. Other Advances (a) Objection Book Advances (i) Civil (Treasuries).'

It is requested that the above classification may be invariably noted in the bills for Advances of Pay in future.

The Treasury Officers are requested to pay particular attention to the correct classification of such bills presented at the Treasury for payment.

M. VIRARAJA URS,
Comptroller.
